DIGITALEUROPE 

A wide range of multinational companies (61) and national trade associations (40)...

Which represent more than 10,000 businesses and two million employees...

And generate revenues of over 1,000 billion euros ...

Thus bringing credibility and legitimacy to the organisation...

Which has become the voice of the European Digital Technology Industry.

MISSION STATEMENT

Advocate the contribution of the digital technology industry to competitiveness and growth in the European Union

Represent our member companies in the formulation, adoption and implementation of EU public policy, legislation and regulation

Promote the interests and corporate social responsibility of the industry in the light of EU regulatory policy

Issue and contribute to statements and opinions on industry issues to national, European and international governmental bodies and institutions

Speak on behalf of the industry with EU institutions and governments, the media, and other organisations where relevant

MEMBERSHIP BENEFITS

DIGITALEUROPE 

DIGITALEUROPE works on issues that have a direct impact on the bottom line of companies

DIGITALEUROPE is well known and respected by policy makers in the European Union as the leading body representing our sectors

DIGITALEUROPE speaks with one voice, a prerequisite when dealing with the European institutions

DIGITALEUROPE is the primary platform for its members to share information, expertise and warnings

DIGITALEUROPE draws its information and expertise from more than 900 technical, legal and policy experts participating in the policy debate which takes place with the four policy groups

DIGITALEUROPE offers access to a large number of contacts through its distribution list system

The DIGITALEUROPE offices are located

20, Rue Joseph II
B-1000 Brussels
Belgium
